

Autism Waiver Service Coordination

**As Required by DHMH/MSDE -
This service includes two components:**

Assessment

- Facilitates eligibility process including financial, technical, and medical
- Coordinates and completes initial assessment and annual reassessment

Ongoing

- Monthly contact with families to review satisfaction of services
- Quarterly visits with participant (one visit per year must be in-home)
- Plan of Care updates as needed
- Assistance to the family in obtaining Environmental Accessibility Adaptations and Durable Medical Equipment
- Central contact person with MSDE, DHMH and FCPS

**In addition, The Arc of Frederick County Support
Coordination provides:**

- ◆ Information and referral to other resources
- ◆ Monthly informational letter to families
- ◆ Assistance to the family in completing the MA redetermination application if needed
- ◆ Helping the family to complete DDA Application
- ◆ IEP Advocacy
- ◆ Problem solving with families
- ◆ Holistic approach to supporting families

**Contact The Arc of Frederick County at 301.663.0909
