### *Future Planning Workshop*

For Families of Children and Adults with Developmental Disabilities

***Futures and Estate Planning*** is one of the services provided by The Arc of Frederick County. The service helps parents plan for their child's future. The Arc offers education, guidelines and resources for families to support them in the process of future planning.

*"Futures Planning" refers to envisioning a desired future for their child's future. Futures Planning identifies the people, resources, supports and services needed to provide a safe and enviable life for your child.*

*"Estate Planning" is the process of planning how you want to transfer your money and assets to others during your lifetime or at your death.*

## The Big Step *Moving Forward*

Planning for the future when you have a child with a disability is a big step. This workshop will give an overview of where to start and guide you through the process.

Information and support will be provided to parents and families to help them overcome hurdles so they may take the steps and move forward in their future planning.

**RSVP if childcare is needed.
