

Supporting Families
Future Planning
For your child with
disabilities

Future Planning Should Include:

Expressing Wishes– Developing a person-centered-plan that includes multiple perspectives and opinions, information, and sharing values and beliefs

Deciding Where to Live– Finding and financing housing with appropriate supports and financing that includes the family and individual's wishes

Financing the Future– Ensuring funds are available for basic and supplemental needs of the individual with the disability

Letter of Intent and 5 Wishes– Globally recognized documents that aid in providing helpful personal information for the future

Supported Decision Making– Informal and formal supports

Employment and Daily Life

The Arc of Frederick County offers information and recourses at no charge. Our mission is to aid in the process of building the futures of individuals with disabilities.
